

South Lakeland Area Hotels

We have corporate rates for three of the local hotels: Courtyard Marriott, Hampton Inn & Suites, and Fairfield Inn & Suites. However, **before** you book a room with the corporate rate, please check on-line for rates as well. They periodically run promotions where the price point is significantly lower than our rate.

The following three hotels are located at Lakeside Village (<http://www.shoplakesidevillage.net/directory>) a newer shopping area with a good selection of restaurants, shopping, cinemas, etc. This area is about a 5 minute drive to our office on Drane Field Road. When *calling* **Marriott Courtyard or Hampton Inn** to make reservations, please mention that we have a corporate discount under our company name.
